ALL NEW BANDS!

Our new class of bands may be the most versatile yet. ONDA is a 9-piece latin dance band with an irresistible groove Friday, March 12th. Followed by BROTHERS OF THE SUN and their brand of Southern rock Saturday, March 13th. Finally, we have our first reggae group to perform at Nissi's with the incredible LION SOULJAHS Friday, March 26th. Then continuing with the Irish tradition we have PEACE & LOVE & IIGS & REBELS Tuesday, March 30th!

A WEEK OF ST. PATRICK'S DAY!

Why celebrate St. Patrick's Day once when you can enjoy all the fun for a whole week at Nissi's? We've invited in three of our favorite Irish bands:

Starting off, a traditional Celtic group with a unique contemporary style, COLCANNON, plays two nights March 17th and 18th.

Next THE INDULGERS jump-start the weekend with their own brand of Celtic rock Friday, March 19th. And for our finale, U2 Tribute Band UNDER A BLOOD RED SKY swoons with an amazing display of lights and great music Saturday, March 20th.

We're also offering great food and drink specials all week, so buy your tickets before it's too late!
